'Meet the Contractor' Drop-In evening – Stocklake Park School, 6pm-8pm, Thursday 21 January 2016

As you are already aware, North Midland Construction plc (NMC) has been appointed as the Contractor for the main works on the Stocklake Link Road (urban) Highway Improvement Scheme. They took formal possession of the site on 4 January 2016 and have visited from time to time as they prepare to move to site on the 18th of January 2016.

During their last visit they had a meeting with Stocklake Park School as well as Buckinghamshire County Council officials at which specific traffic management concerns and other issues relating to the school were discussed.

Stocklake Park School has kindly agreed to host a 'Meet the Contractor' evening in their school hall from 6pm – 8pm on Thursday 21 January 2016. The event will be organized as a drop in session, providing Stocklake Residents and Businesses the opportunity to meet and hear directly from the Contractor regarding their plans for delivering the project.

The Contractor is happy to present the project to residents and businesses and to answer questions on the evening. All residents, businesses and other stakeholders are hereby invited to the event and are welcome to drop-in from 6pm – 8pm on the evening. The Local Councillor and Member for Aylesbury East, Councillor Phil Gomm, will attend the event as will officers from Buckinghamshire County Council. We hope to see you all at the event.
