

# Stocklake Link Road (urban)

## Highway Improvement Scheme

Bulletin # 09 5th May 2016

### Thames Water—overnight works 5th May

**Urgent Message**—We have just been informed that Thames Water will be carrying out emergency sewer connection works on Stocklake tonight, Thursday 5th May. The new connection is close to the Pembroke Road junction and will take place from this evening at around 7pm and overnight into tomorrow daytime. The works will likely cause some noise and we apologise, on behalf of Thames Water, for any disruption this may cause residents.

### Public Engagement meeting/ Information Event—change of date (now 18th May)

**Please note the change of date from Bulletin #8**

The recently advertised public information event to discuss works and traffic management arrangements for Phase 2 works (new service/ access road) is now being held on Wednesday 18th May between 6pm—8pm. Invites will be circulated closer to the date so all residents are aware of the meeting.
